WELCOME
TO

Your local brewery Zerodegrees

This Christmas at Zerodegrees, it's more than just a specially curated three-course meal: it's the start of a night to remember. Expect flavour-packed dishes, fresh beer brewed on-site, and an atmosphere that's anything but silent night.

For 25 years, we've been bringing people together with food, drink and music (selected days have live music, saxophone players and DJ's) This season we're turning it up so your party can carry on well into the early hours if you wish.

Eat, drink, dance and be merry,
we've got the rest covered!

Join us for lunch, dinner or both and bring the whole crew. Private hire spaces are also available to make your celebration truly your own.

At Zerodegrees, the table is just the beginning,
the night is yours to make.

LUNCH £35_{pp} DINNER £39_{pp}
